HP Color LaserJet CM3530 MFP series
CM3530 • CM3530fs

Accelerate business results with fully-equipped MFP performance in an easy-to-use, space-saving desktop design.

Increase productivity
Reduce the direct and indirect costs of enterprise imaging and printing with the HP Color LaserJet CM3530 MFP series. This device sits on a desktop, yet has all the features of a high-performance color MFP—with print, copy, scan, digital send, and fax capabilities. Enhance work team productivity with black-and-white and color print speeds up to 31 pages per minute (ppm). Time To Completion of a typical office print job can be up to 40 percent faster with Instant-on Technology.¹

Count on reliable, consistent, high-gloss, high-quality printing with HP ImageREt 3600 and improved HP ColorSphere toner. Meet your specific business needs with support for a range of paper sizes and types, including glossy and heavy paper.

Reduce total costs
Save time while providing greater value to users and your business. Easily control who can print in color and how much with HP’s Color Access Control technology. Auto Color Sensing detects whether a document is color or mono and adjusts settings accordingly. Cut paper consumption with standard automatic two-sided printing and copying.

Get black prints for the same cost as on a black-and-white HP LaserJet MFP—and you can still print in color!² Choose the high-capacity black print cartridge for even more value.

Create professional-looking documents in-house and make the desired impression on employees and customers for less than the cost of outsourcing.

¹ Faxing is standard on the HP Color LaserJet CM3530fs MFP, optional for the HP Color LaserJet CM3530 MFP.
² Instant-on Technology uses cutting-edge fuser technology to produce the first page faster when a printer is coming out of low power mode so your print job is done sooner. An InfoTrends study shows the typical office print job is three to five pages long: www.infotrends.com/public/Content/Presentations/officeprinteruse.pdf. Time To Completion of a typical office print job tested on HP and select competing products. Actual results may vary.
³ Compared to the HP LaserJet M3035 MFP series, using HP Q7551X print cartridge. Yields established using ISO/IEC test standards. Actual yields and costs vary considerably depending on images, number of color pages printed or copied and other factors (including frequency of TCU replacement).
HP Color LaserJet CM3530 MFP series

1. External USB host port for font cards or third-party solutions
2. A powerful 515 MHz processor and 512 MB memory, expandable to 1 GB
3. Two internal USB host ports for font cards or third-party solutions
4. Hi-Speed USB 2.0 port provides simple connections
5. Built-in faxing
6. HP Jetdirect Gigabit Ethernet embedded print server
7. FIH port and open EIO slot for third-party solutions and optional connectivity
8. Hardware Integration Pocket for security solutions
9. 50-sheet ADF and legal-size flatbed scanner
10. Intuitive Easy Select color touchscreen control panel with a built-in help function
11. Convenience stapler
12. 250-sheet output bin
13. One-door access to the four preinstalled print cartridges with ColorSphere toner and the toner collection unit
14. Automatic two-sided printing
15. 250-sheet input tray with the option to add a 500-sheet input tray 3 for a maximum input capacity of 850 sheets
16. Single-door paper path access
17. 100-sheet multipurpose tray for specialty papers

Reduce risks and increase operational effectiveness.

Accelerate business results
Streamline document-intensive processes and leverage your network for business advantage. By adding the optional 500-sheet paper and heavy media tray, you can easily expand input capacity to up to 850 sheets. Choose the optional printer cabinet for increased accessibility while adding storage for extra paper and supplies. The CM3530f model includes embedded fax capability and a convenience stapler.

Integrate documents into workflows with embedded send to email and send to folder functionality. Optional HP Digital Sending software (HP DSS) enables documents to be sent to FTP sites, network folders, and fax services.

Extend MFP capabilities as business needs change using the on-board Ethernet port, open EIO slot, and additional USB ports. Maximize the return on your hardware investment with access to integrated third-party solutions such as document capture, job accounting, and security solutions.

Make recycling convenient and practical. Since 1991, HP’s industry-leading Planet Partners recycling program has made it easy to recycle printers, cartridges, and other technology products responsibly. We make the process hassle-free for you by providing postage-paid shipping materials in many regions.

Get the most out of your MFP with HP accessories, supplies, and services.

500-sheet Paper and Heavy Media Tray
Print on a range of paper types in sizes from 5.83 by 8.27 in to 8.5 by 14 in while increasing total input capacity to up to 850 sheets.

HP LaserJet Printer Cabinet
Use the rolling cabinet to reposition the printer as necessary when the desktop design is not optimal, and add storage for extra paper and supplies.

Print cartridges with HP ColorSphere toner

HP Services
Because downtime can have serious business consequences, HP provides high-quality services that extend beyond the standard warranty and help you avoid unbudgeted repair costs. Benefits include reduced printing and infrastructure costs, maximized uptime, expert technical phone support, and predictable, consistent service delivery—even across multiple locations.

Recommended services:
- **Installation with Network Setup:** expert assembly of HP accessories, hardware verification, network configuration, and basic administrator familiarization
- **Same Day Onsite Service:** technician arrives at your site within four hours after service call is received
- **Next Day Onsite Service:** HP-employed service engineer or authorized support provider delivers service the next day for calls received by 2:00 p.m. local time

These services and additional coverage options can be purchased as:
- **HP Care Pack Services:** easy-to-buy, easy-to-use support packages
- **HP Contractual Services:** a comprehensive portfolio for maintaining maximum IT availability

HP also offers HP Managed Print Services: scalable assessment, procurement, implementation, management, maintenance, support, and workflow services.

For more information visit: www.hp.com/go/printservices.

---

4 HP Digital Sending Software is optional (not included, sold separately). Software is server based; server required.

5 Average continuous composite CE250A black cartridge yield 5,000 standard pages, average continuous composite CE250X high-capacity black cartridge yield 10,500 standard pages, and average continuous composite cyan/yellow/magenta cartridge yield 7,000 standard pages. Declared yield value in accordance with ISO/IEC 19798. Actual yields vary considerably based on images printed and other factors. For more information, visit www.hp.com/go/learnaboutsupplies.
